Challenge Index

- Puts schools on even playing field by taking the populations they serve into account
- Includes poverty and English learner indicators
- Now includes 5 years of trend data
- https://apsinsights.org/2019/07/29/relationship-between-school-performance-and-poverty-2019/

https://apsinsights.org/2020/01/17/2019-milestones-results-by-subgroup/

Performance Drill Down: Progress

- Each student gets a value 1-99 depending on how much they grew compared to similarly performing students the previous school year

- Aggregated to show percentage of students making typical or high growth

- Used in CCRPI

- State average is 65
- https://apsinsights.org/2019/12/04/2019-student-growth/

ATLANTA PUBLIC SCHOOLS

Performance Drill Down: Graduation Rate

- Percentage of students who graduate high school in four years
  - Based on a cohort of students who start high school at the same time:
    - A 2019 graduation rate of 75% means that 75% of students who started high school in 2015-16 graduated in four years.
   - Students who transfer are removed from the cohort

- **https://apsinsights.org/2019/09/18/2019-graduation-rates/**
